Winesburg OH!

Second Century begins with murder on national television

MAY 8 - In 1919 Sherwood Anderson published his third book "Winesburg, Ohio" or "life in a small American town". It examined lives and stories of people many thought were from Clyde with secrets or desires on hidden experiences. 2019 marks the hundredth anniversary of publication. Ironically, the first major story of the next 100 years was a national television production about the murder of a Clyde woman who worked at Whirlpool and the man who killed her.

Community Center site This open field north of McPherson Middle School parking lot is the proposed site of a Community/Rec Center. The site was pictured on a post card encouraging citizens/possible voters to participate in a survey about the proposed center. A vote on the center is planned for March 10, 2020 in the presidential primary.

School Operating Levy on May 7 ballot

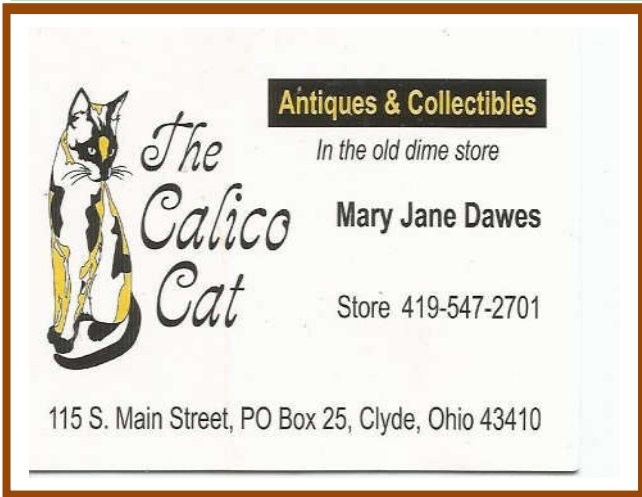

Voters will decide on a 10-year, \$10 million operating levy for Clyde-Green Springs Schools May 7. The levy will generate \$1 million per year for current operating expenses and avoid supervision by the State

For your April planning

April 26/Friday/5 p.m.**Little League Parade**

RACE STREET from Clyde High School to Community Park.

NATIONAL ARBOR DAY.**April 27/SATURDAY/1 p.m.****CLYDE ARBOR DAY TREE DEDICATION**On Main Street in front of
1st Place Awards
in honor of the late**Vice Mayor Kenneth Dick****Wilson: Who is using softball diamonds?**

In a meeting of the Recreation Board April 1, **Joe Wilson** asked who is using the softball diamonds at the entrance to Community Park, noting those are the two main diamonds and "focus point of the Park" which was the pride of Coach Art Hendricks who was City Rec Director many years. Wilson wants them used more.

Jim Mason, Director of Parks, agreed with Wilson, noting the diamonds are closest from the parking lots, restrooms and concession stand. He added he would like to see the diamonds used more "rather than making parents and grandparents walk to the back diamonds." **Jason Wiess** with Little League notified the Editors the diamonds now will be used for League games from April until June.

Community Park is the City's oldest Recreation Center with ball diamonds, sand volleyball court, aquatic center, open and enclosed shelters, walking trail around the pond, play equipment for school-aged children, concession stand, permanent and portable toilets.
